Sussex Midweek English Language Training Sessions

Exactly what we needed: Using authentic video podcasts Frances Eales

This interactive session explores practical ideas for designing lessons and self-study tasks but also for engaging students in video-podding projects in and out of class. Discover how video-podding can transform even the least motivated students to apply themselves, develop their English and gain a sense of achievement.

Frances has a particular interest in the use of video in the class and is a teacher, teacher-trainer and materials writer who has worked in many countries. She is co-author of both *Cutting Edge* and *Speakout*; co-wrote and co-ordinated the *IH Distance DELTA* and regularly works on the design and assessment of Cambridgeesol teaching and training exams.

**StudyGroup, 1, Billinton Way, Brighton
Tuesday March 13
18.30-20.00**
